INTRODUCTION

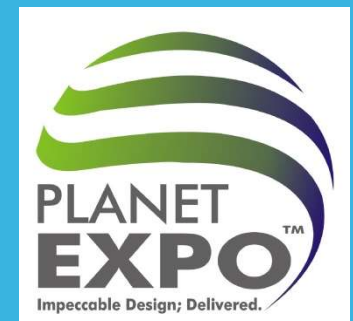

Planet Expo caters successfully to the increasingly global demand for exquisite Indian handicrafts. Planet expo has gained a strong foothold in the international market. A highly reputed entity, we came into existence in the year 2009 and since then have been nurturing the objective of offering premium grade products at fair trade prices. We are a well known exporter of all handicrafts items - wood, wrought iron, etc. and other types of handicrafts that are eclectic and enchanting.

We are a 100% export oriented unit, exporting our products to many overseas regions across the globe. Our products are well known for their attractive designs and sophisticated finish. We are amongst the select few to offer customized wooden handicrafts as per the specifications provided by customers.

It is very well said and we also believe in the saying that one cannot touch the heights if not blessed with our parents. With blessings, good wishes of Mr. and Mrs. Haji Mohd Afzal khan, we were able to achieve milestones in no time. Under the guidance and supervision of Mr. Haji Mohd Afzal khan we could not only grow but also have established very good relationship with the clients we deal with.
